## “A NIGHT AT THE MUSEUM” A Gala Evening of Science, Food, and Socializing at the Rochester Museum & Science Center

For those Annual Conference registrants who will be arriving from out of town early in the day on Saturday, October 31 or live in the Rochester area, the special evening at the Rochester Museum & Science Center will provide a multitude of Science experiences, dinner and great professional and social networking opportunities. Join us on Saturday if you can! Sign-up is first come, first served basis – limited number of reservations available.

Socialize with your STANYS colleagues and enjoy chef-prepared delicacies including hors d'oeuvres, turkey and beef carving stations, and desert. Enjoy all of the wonderful science learning facilities:

- Explore 40,000 square feet of hands-on exhibits, engaging dioramas, and immersive spaces.
- Come face to face with animals and historic characters from history and science as the exhibits come to life!
- Encounter the earliest jawed fish and giant mastodons in Expedition Earth.
- Experience the *Deep Space Universe* school show for grades 6-12 at 7pm and the giant-screen film, *Wild Ocean*, at 8pm in the Strassenburgh Planetarium.
- Enjoy live science shows and demonstrations.
- Optional: Visit the major new exhibit: *Titanic: The Artifact Exhibition*, for an additional charge.
- And more! The entire museum will be open with staff from the RMSC's Education Department waiting to meet you.

And those adventurous enough to celebrate Halloween in costume, the best and most interesting costumes will receive prizes, and all those decked out will be entered into a special drawing for museum prizes.

A Cash bar will be available.
