

Sample Letter for Free Student Membership in STANYS

This letter needs to accompany the student's completed STANYS application form and be printed on the college letterhead stationery.

STANYS
PO Box 2121
Liverpool, New York 13089-2121

Please accept this letter as documentation that the student(s) listed below is/are enrolled in a teacher education program at (*name of institution*) that will lead to a NYS certification allowing them to teach science.

Each student understands that he/she needs to accurately complete a STANYS application form and this letter confirms the student(s) eligibility for one-year of free membership in STANYS.

Each student understands that after this year of free membership he/she will need to pay to continue membership and that discounted rates for students are available.

Thank you for your consideration in this matter.
