

STANYS State Science Congress

The College of Saint Rose

Albany, New York

June 10-12, 2011

Dear Regional Congress Finalist,

Congratulations on being chosen to compete in the **STANYS State Science Congress** to be held at the College of Saint Rose in Albany, New York! Your selection allows you to participate in one of New York State's premier science research competitions.

Students will be allowed five minutes to set up their equipment before their presentation. Presentations will take place in a lecture room before a panel of judges. ALL finalists scheduled for a room MUST be in the room by the start of the first presentation. No late arrivals will be allowed to present.

All rooms will be provided with a screen and projector for PowerPoint presentations. A table will be available for poster presentations as well. Teachers and parents will be allowed in the room as long as seating permits, but cannot contribute in any way to the presentations.

The following will NOT be permitted in the presentation room (on or near your presentation board or on your PowerPoint presentation):

Live or preserved specimens

Hazardous displays (i.e. toxic chemicals, high intensity light sources)

The name of your school or the community you live in

PowerPoint presentation equipment and/or Storyboards MUST be supplied by the finalist if they will be used. If you have any questions, please contact me.

***You will be considered registered for the State Science Congress when an electronic copy of your abstract, five copies of your research paper, and the following forms have been received: Registration and Information Form, Certification and Required Forms, Medical Release Form, Press Release Form, Dormitory Form, Chaperone Form, Section Approval Form, Section Report.

All forms MUST be RECEIVED no later than Wednesday, May 18, 2011.

Late registrations will not be accepted. Forms should be sent to:

Amanda Parker
Director, STANYS State Science Congress
The College of Saint Rose
432 Western Avenue
Albany, NY 12203

Upon receipt of your materials, we will send you an e-mail with confirmation of registration, a schedule of events, map of the campus and other pertinent information. We look forward to meeting you in June.***

Amanda Parker
Director, STANYS State Science Congress
